

Panel Models

- **Residential Rooftop**
 - 400W - 410W
Mono Black Solar Panel

- **Commercial & Industrial**
 - 410W - 555W
Mono Black Solar Panel

- **Utility Grade**
 - 520W - 550W
Mono Bi-Facial Solar Panel

Current Technology

- **Monocrystalline solar cells**
 - Consistent structure
 - Higher efficiency rate
 - Premium Appearance

- **PERC**
Passivated Emitter and Rear Cell
 - Enhanced Efficiency
 - Reduced electron recombination
 - Higher energy yield

Compatible Technology

Our equipment is compatible with future technology

- TOPcon
- HJT

Our products and technology used are all UL listed and/or Intertek & CSA certified
