Winner

Hydraloop Cascade

Hydraloop Cascade is a modular, scalable, made-to-measure set up for multi-family homes, businesses, hotels and more. Comprised of multiple units of the H300 or H600.

Hydraloop H300 & H600

The H300 and H600 handle a volume of 300 to 600 liters of water with a maximum cleaning capacity of 530 to 1,000 liters a day. Less than 175 kWh per year, these models are perfect for single-family homes, offices, gyms and boutique hotels.

Hydraloop Concealed

Hydraloop Concealed is an easy and elevated way to retrofit an existing bathroom to incorporate gray water recycling. 175 liters with a maximum daily cleaning capacity of 300 liters.
